Tuesday Evening and Wednesday Morning. The party will officially kick off at 5:00 on Tuesday evening, October 7 with the now traditional Sunset Social, where food and drink are "on the house". Dancing at the Hangout follows. Wednesday morning, we will repeat last year's Big Beach Party, with still more food and drink. *Bring your canopy or cabana for a morning full of fun.*

Music and Dancing. There will an *additional dance floor* brought in for The Hangout dancers.

The featured **guest deejays** for the party will be **Billy Waldrep** of Roebuck, SC **Jessie Griffin** from Savannah, GA; and **Gary Scarlato** from the Cincinnati, OH area. Our great **club deejays**, **Cliff Capps**, **Buddy Hayes**, **Larry Huff** and **Carl Simonetti** will be also spinning your favorite beach tunes.

The **shag workshops** will be conducted by **Steve and Kathy Day** of Boiling Springs, SC.

Hotel Reminder

The hotel will retain the **2007 room rates** for 2008. Rooms are offered on a **first arrival, first choice** of available rooms basis. Thus, if you want to be assured of having a beach front room, plan to come earlier in the week. Please remember that some rooms may appear to be available, but they are not due to problems with the room or due to the fact that the room may be held for someone with a regular reservation who is *not* attending our party. **Again, we strongly urge everyone to stay at the hotel.** It keeps the price of event tickets low; it keeps dancers from drinking and then driving; and it is just plain convenient and fun to be where the action is!
